**Description:** Our private 900 square foot photography and video studio is an excellent option for your shoot. In designing this studio space we sought to provide you with the flexibility to "Show up and shoot"! The Helen Wells Studio is the only studio in the mid-west that comes complete with a built in dynamically controlled lighting system. The system provides you with everything you will need to shoot professional video or photography in the studio. They also serve as a great base to start when special effect lighting is required for your shots. The best part is that use of our professionally designed lighting system is included with your rental! All Lights are Phase/Power Dimming via DMX Control Pack. A PC is provided for quick lighting control and adjustments. Conveniently located on the north side of Indianapolis at 9820 Association Court, just 2 minutes from the I-465/Keystone exit, The Helen Wells Studio has easy access to I-465, I-69, I-65, and is just a quick 30 minutes from downtown Indianapolis. The Helen Wells Studio is available for rental with daily, weekly and monthly rates.
